Proverbs-
Wise Sayings

The Bible teaches that you should obey the instructions of your parents. Scan through the book of Proverbs and see how many chapters begin with verses about obeying. Write the scripture reference below. And a word or two about what it says.

Remember that Solomon was very wise and that he understood why it was important to pay attention to his parents. Try to follow your parents' instructions. They love you and want the best for you. They also want you to grow up to love God and be a faithful Christian.
